Dear Adam,

I am able to take your e-mail as confirmation of your request to amend the description, no revised forms will be required, but the application will need to be re-advertised.

I am away for the next couple of days, but will forward the application for amendment in my absence. The advertising period is likely to now expire on 14-11-2019 so can agree to an extension of time on the application until 22-11-2019?

Regards
Anita Gardner

Dear Anita,

With regards to the above application, noting that the LPA has now approved our section 73 application (your ref. R/141/19/PL) relating to the hours of deliveries to the premises (which has resulted in the imposition of a new condition 7), we now wish to ensure that current Section 73 application ref. R/224/19/PL is treated as a variation of condition (3) imposed upon that recent Section 73 approval, rather than a variation of condition (3) as imposed upon the original planning application (your ref. P/34/19/PL).

To facilitate this does this email suffice or will you require an amended application form from me setting out the revised description so that it refers to the Section 73 approval rather than the original planning permission ?.

I look forward to hearing from you.

Regards,

Adam
