Thank you for your internet representation made on 24th February 2021 which has been recorded as an objection with the comments as follows:

OWQC34041

My Council has re-considered this application, and wishes to reiterate its previous objections as follows:-

(a) The proposal, by reason of its specific location, height, mass and design, would present an over-bearing and unsympathetic appearance which would have an adverse effect on the visual amenities of the occupiers of Nos. 34 and 36 Guildford Road, and would be severely detrimental to their quiet enjoyment, particularly given its close proximity to the boundaries of these properties

(b) The proposal is in conflict with the Rustington Neighbourhood Plan Policy 2: Housing, which states that development should not impact on surrounding properties.

Your views as made above will be considered before the application is determined.
