Dear Mrs Johnson,

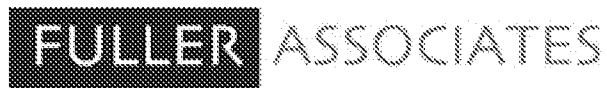

Please find attached a location and block plan drawing as requested.

We were not requested to provide a street scene drawing on the previous application ref. R/204/18/PL, and given that the new dwelling is not set conventionally between existing buildings visible from the public realm I don't believe one is required for this application. Perhaps you could please confirm.

I also take this opportunity to attach an updated arboricultural impact assessment and method statement report to accompany the application.

Kind regards
