Subject: Springfield House - R230/19/PL - Substitute drawing

Dear Mrs Gardner,

Please find attached a revised Surface Water Drainage Layout.

Please could I kindly ask you to substitute the current Surface Water Drainage Layout drawing no. 1772/SK10, which is incorrect, does not concur with the Site Plan drawing no. 181303/08, or the Location and Block plans drawing no. 181303/10, and has been accidentally attached to this application in error. The detail on the attached drawing reflects that depicted on the aforementioned Site, and Location and Block plan drawings.

To be clear, this application does not propose the removal of any further trees, and I sincerely apologise for any confusion or anxiety this may have caused the local residents.

I trust this email and attached drawing clarify the application proposals.

Kind regards
