Mrs A Gardner

8th November 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

1 No. dwelling with detached garage (part resubmission following R/91/17/PL & R/204/18/PL).

Springfield House Springfield Close Rustington

Thank you for your internet representation made on 7th November 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to this application. My grounds for objection are:

(1) The proposed swimming pool would have a detrimental impact on the enjoyment of my property. The proposed location is far too close to my boundary and would constitute a significant nuisance, due to the noise from the pump and the usage of the pool.

(2) The proposed removal of the trees would fundamentally destroy my privacy and that of all neighbouring properties. A key reason why people live in the area is to enjoy the natural surrounding, including the trees and wildlife. The property immediately to the north of my property on Crossroads was recently developed and they culled a significant number of trees. It was promised that the trees and screening would be replaced, but they never were and I have had to incur time and expensive in replacing the trees myself.

Development can benefit a neighbourhood, however it must be done sympathetically and consider the implications for neighbouring properties.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal

information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
