re: Springfield House
Springfield Close
East Preston

re: Planning Application R/230/19/PL
for 1 dwelling with detached garage

Dear Sir,

To the Development Officer, Arun District Council

Please may I put in a strong
objection to the above planning application.

I live on the corner of Springfield Close
and Angmering Lane. More building would be intrusive.

I would submit that the house recently
built next to the Spires is quite large enough; and
there is certainly not enough room for another building
flat and pools. Yours faithfully

2 SPRINGFIELD CLOSE

EAST PRESTON

SUSSEX

BN16 2JX

Dear Sir.

re: Planning Application R/230/19/PL

I live opposite the new build
in Springfield Close,

I understand that permission is
being sought for a pool, pool house with
a flat-on-top.

I object to this plan on the
premise that there is not sufficient space
and it would be invasive for myself and
my neighbours. Yours faithfully
