Dear Peter

Thanks for your e-mail. I have spoken to Mrs Rees, the owner of 7 Elm Farm Cottages and she is quite happy to accept that the lower branch should not be removed but would like to have the branch shorten consistent with a natural reshaping of the tree and the crown reduction. I hope this would be acceptable.

I look forward to hearing from you,

David

Dear Mr Johnson

Sorry for missing your calls, I have tried to ring back but your number is not accepting my calls. I have spoken with Ian Brewster (Councils Arborist), he has confirmed that the only works which could be accepted to the Silver Birch tree would be light crown reduction of 1-2 metres. The removal of the lower branch would not be acceptable.

Please could you let me know in response whether you would like to proceed with the application on the basis of his recommendation of works. If you don't accept the recommendation for the works, the application would have to be refused.

Kind regards
Peter
