RECOMMENDATION:

Objection ☒ No Objection ☐ Suggested Conditions ☐

Comment ☒ Recommendation ☐ Abate a Nuisance ☐

Tree Replacement ☐ **Dead/Dangerous** ☐ CA & Amenity Value ☐

Comments:

The applicant has requested tree works to a Hawthorn, Bay, Willow and Spruce (Fir)
which are acceptable.

The Maple needs to be specific and it is recommended that a maximum gap of 1m
between the building and the crown is acceptable.

The reduction of the Silver Birch by 2-3 metres and loss of its low large primary branch
would be detrimental to the health and natural appearance of the tree and where the
work should be refused consent.
