QUOTATION

Dear Lloyd

Please accept my apologies for the delay in providing you with this quotation.

Please find listed below information with regards to the works as discussed.

- To remove any dead branches and to tidy up all the previous cuts where necessary (taking them back to the branch collar).
- To reduce in length the branch that extends out towards the house/neighbours garden.

The cost of the above work would be £245= which includes the removal of all waste and to leave the garden clean and tidy.

Yours sincerely

Anthony Duffield
