

121 Old Manor Road,
Rushington
Bolt 34D.

5.1.21

As I said, I had no problem with the extension, albeit it turned out to be larger and higher than expected - but the windows are an intrusion. In my opinion they should not be on our side, with two of the windows opening. In fact the plan

given to me by the Party
Wall Surveyor shows the
windows as non-opening.

If I wish to say this
to the Planning Services - can
I put it in "writing"!

Yours sincerely,
