Dear Mr Roberts,

I note that your proposal does not include existing elevation plans . To enable consideration to be given to the change in the appearance of the dwelling, particularly in relation to the street scene and increased bulk in the context of impact on neighbouring properties I would appreciate receipt of supplementary plans indicating the outline of the existing dwelling dotted on the front and side proposed elevations. I would also appreciate clarification of internal floor space to each room. Can this be detailed on supplementary floor plans?

Without prejudice, I would appreciate receipt of this information as soon as possible

Regards

Anita Gardner
