Planning Application R/243/17/H#

Dear Sirs,

I write to make the following

re the planning application above

I feel the invasion of privacy
by the proposed addition of a
rather large balcony. Intrusion
of noise, children & BBQ parties

Also the view from the balcony
could cause invasion of privacy
which Herne Court is now free from

I have spoken to other residents
of Herne Court who express the
same fear.

I remain
Yours Truly
