Mr Jones

Thank you for letting me know. Please view this email as acceptance of the delay in determination until the 12th.

Whilst corresponding your advice would be appreciated.

My client is think of a ground floor side extension to the property at 1 KNightscroft Close.

The scheme is less than 1/2 width of the original house construction and within the original front and rear wall of the property.

If eaves is no greater than 3m and materials match existing would you be able to confirm if there are any restrictions preventing

permitted development on this site.

Many Thanks

John Rawlins

Dear Mr Rawlins

I refer to the above planning application. Unfortunately due to Christmas leave, I am back on 8 January, and another unforeseen circumstance I have not had a chance to review the application by the 8 week target date. Therefore, I am writing to ask if you would be willing to agree an extension of time to determine the application until 12 January 2018.

Thanks

Mark Jones
