Dear Mr. Wrigley

Application for a non-material amendment following a grant of planning permission R/83/10 – Additional window at the side elevation and an amendment to the size and position of the velux window to the rear elevation – The Paddock, 37 Angmering Lane, East Preston

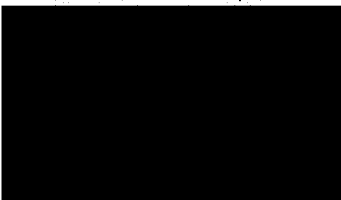

Thank you for your application which was received on 20th October 2010.

The additional ground floor window on the side elevation and the resized and repositioned rooflights on the rear elevation shown on the submitted plan can be accepted as a Non-Material Amendment.

Please note that these substitute plans therefore become the approved plans for planning application R/83/10.

I trust this information is of assistance to you and, should you wish to discuss this matter further, please contact me on the above number.

Yours sincerely,
