Application for Prior Approval for a Proposed Larger Home Extension
At: 2 Grafton Close, Rustington, West Sussex. BN16 3QY.

Dear Nicola,

Thank you for your letter dated 14th October 2019, received today by email.

In regard to the request for further information in clarifying the height of the eaves of the original dwelling house I can confirm that this is 2.26m.

The new extension will have a maximum flat roof height of 3.0m with a proposed eaves height of 2.54m.

I have just noticed I made a mistake on the application form as I put the new extension eaves height as 3.0m, which of course it can't be. It will be 2.54m so I have attached an amended application form to show the correction.

Should you require any further information please do not hesitate to contact me.

Kind regards

Mark Hill
