Dear Simon,

I have now reviewed the RSB noise report, and I am satisfied with its conclusions. I have no further concerns regarding the above application.

I hope this helps.

Kind Regards

Dear Simon

Following the EHO comments on 20th October 2021, please find attached a RBA Acoustics Noise Assessment Report (11416.RP01.PNA.0, November 2021) for your consideration.

I trust this should satisfy the EHO comments, given it has been identified that the noise emissions from the proposed development are within the criteria required by Arun District Council.

I would be grateful if you could indicate if you are now in a position to issue a decision.

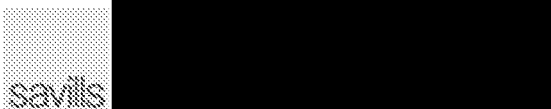

Should you require anything further, please do not hesitate to contact me.

Kind Regards

Luqmaan
