Thank you for your recent application which I received on 15th October 2019. It is being validated by Nicola Moore who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Please complete and return Section 9 of the application form.

Please provide a sketch plan, including road names, clearly showing the location of the trees.

Please specify the work required to each tree. Further guidance on this can be found the Arun District Council website.

The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.
