

35 KNIGHTSCRAFT AVENUE
RUSTINGTON
WEST SUSSEX BN16 2HW

Dear Sir,

RE YOUR REF. R/253/20/HH

33 KNIGHTSCRAFT AVE.

I wish to place an objection to the above planning application

- 1) I live next door (No 35). The bungalows would run the length of their garden close to their fence (on my side). It will take my light.
- 2) I am concerned there would be increased footfall - (tradesmen etc) down the sideways.
- 3) There is a covenant covering the whole Cudlow estate which states one dwelling per site.
- 4) I consider it will de-value my property and create more than the usual and acceptable noise in the garden.

5)

- 6) I believe the close proximity of proposed

(2)

lungalows to St. Bridget's Cheshire home
may well affect their light in what I
understand are bedrooms.

Yours faithfully
