Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Prune back branch growth on southside by approx 2m to 1No. Sycamore tree.
North west verge to rear of 12 Bushby Avenue Rustington

Thank you for your internet representation made on 14th November 2018 which has been recorded as '**an objection**' with the comments as follows:

The first concern I have is the applicant has no ownership over this tree and has therefore no right to apply to have a perfectly healthy tree pruned that he does not own. The next concern is the applicant has applied under WAVERLEY COURT (FREEHOLD) LTD Company number 10234360 23 Ashford Road, Dronfield Woodhouse, Dronfield, England, S18 8RQ which he resigned from on 5 May 2018

The same applicant has put in 7 previous applications to prune this tree and if this is successful will harm the shape of the tree.

He has made a false declaration on the application stating he is part owner of the tree. The private driveway is owned by WAVERLEY COURT (FREEHOLDERS) LIMITED Company number 10787191 as of 04 May 2018

I hope you take a very serious view and action against the applicant for submitting knowingly a false application

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
