Good afternoon Miss Mills,

My name is Harry Chalk and I am a planning officer with Arun District Council. We are processing your application (REF: R/255/21/T) and have received our Tree Officers comments. He has informed us that trees T1 and T2 are covered by TPOs however, T3-T15 are not covered by TPOs, only the conservation order in the area. This would

mean that a TC application would normally be used to apply for works on trees T3-T15. You are invited to approve that we amend the description of your application to refer to trees T1 and T2, removing T3-T15 from the description. A decision for the proposed works to T3-T15 will be included as an informative on the current application so as to not incur further delays or require another application.

You are invited to reply with written approval for the description of your current application to be amended from "Various works to various trees" to:

Crown reduction 3 meters and crown lift approx 1.5 to 1 Holly tree and 1 Bay tree (T1 and T2).

Please respond by 1/12/21 so that this application may be processed without delay.

Kind regards,
Harry Chalk

Harry Chalk
