Anita

Thanks for letting me know. I have checked with the Trustee and they are happy to accept the EOT.

I have also checked in with our client's solicitor and they are confident that once they receive a draft they can turn it around in the same day. I hope therefore that we will not require the full amount of time.

Dear Charles,

I have started the report, but it can't be issued until the Deed of Variation is signed. I'm not sure how much longer that will take. Shall we agree a 2 week EOT until 19-03-2019 and see where we are then?

Regards

Anita

Can I please check with you on the progress of your report? We had until 1st March agreed for an EOT.

Do we need to agree an extra few days?

Charles,

I have been speaking to our barrister regarding the need for a Deed of Variation if the above application is approved and he has advised that one will be required in relation to this application. To assist he has produced a draft Agreement which is in very similar terms to the Deed of Variation entered into by the parties in relation to application R/187/16/PL.

Can you let me know who your legal representative is, so that we can send the draft Deed of Variation to them.

Regards

Anita

Charles,

I apologise for the delay in response and in dealing with your application. It is now the next application I will be working on. I should be able to put time to report writing Monday afternoon with a view to a decision being issued by the end of next week .

On this basis, I would be grateful for your agreement to an extension of time until 01-03-2019 to cover this period?

Is it possible to get an update on this application? The determination date was meant to be the end of last month.

Any advice would be appreciated.
