Dear Ross

Please find attached two amended drawings which show the pathway to the new building diverted to avoid the RPA of T1. Also shown are the proposed heras fencing areas around the RPAs of both T1 and T2 which would be erected for the duration of the construction period.

Attached

- 15072/3aR1 - Proposed Site Plan and proposed drains
- 15072/3bR1 - Proposed Site Plan with Roof Plan

I hope this will now allay the concerns expressed by your tree specialist.

Thanks

Emma Weaver
Director
