Hello Charlotte

Thank you for your email. I have spoke to the home owner (my client) and he would like to go ahead with the work as recommended by the tree officer namely to crown thin on T3 and dead wooding on the other trees.

Am i correct in assuming that we can carry out this work immediately?

Kind regards

Josh

Dear Mr Townsend,

We have received an email from your applicant regarding Woodlands, 1 Cross Road, Rustington -- R/267/18/T.

I have explained to the applicant that the email requesting confirmation of how to proceed was sent to you as you are named as the Agent on the application forms submitted.

Please note if this is incorrect and you wish for all further correspondence to be sent to an alternative address then please confirm so in writing.

I have attached a copy of the report from the Tree Officer for convenience.

If you could please confirm the queries in the email below by Friday 8<sup>th</sup> February, unfortunately if I do not have the confirmation by then I will have to issue the refusal.

Dear Mr Townsend,

I write to you regarding the application you have submitted for Woodlands, 1 Cross Road, Rustington – R/267/18/T.

We have received the comments back from our Tree Officer and he has recommended refusal for T1, T2 and G4 of the application. This will unfortunately mean we will refuse the entire application.

As he has recommended consent for T3 of the application, you could if you wished, remove T1, T2 and G4 from this application and then we could approve the works to T3 and then you could if you wanted resubmit for the refused trees.

If you would be able to let me know how you would like to proceed by Friday 1<sup>st</sup> February I would be grateful.

Many thanks

Charlotte
