Hi Zac,

Hope you are safe and well?

Yes I agree to an extension of time. Do you know if design changes are needed?

Good morning Mr Shear,

Thank you for your email.

We are currently experiencing technical difficulties, given the current situation, and I have not been able to pick up voicemails.

Would you be agreeable to an Extension of Time for the application until the 2nd of April in order to allow for a determination to be made?

I am aware of the previous application R/306/18/PL.

Please do not hesitate to contact me with any further queries you may have.

Kind regards,

Zac

Hi Zac,

I have left a couple of voice mail messages. regarding windsong. I know there have been a few objections, but I personally don't think they hold any wait in terms of planning policy. I would appreciate your thoughts as I would like to deal with any potential changes under this application is needed. I know the council approved a two story house on this site which would have a bigger impact than the scheme we are showing.

Kind Regards
