Good morning Darryl,

I am well thank you! And yourself?

I believe Windsong was a different reference to the one suggested in the title, and I have amended in the response.

The discharge of this condition would require a formal application. You may also wish to include the details of the materials used in the construction of this screening.

Please do not hesitate to contact me with any further enquiries.

Kind regards,

Zac

Hi Zac,

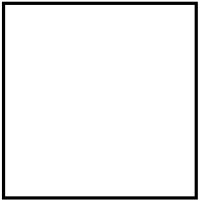

How are you doing? Safe and well I hope?

I have attached a revised dwg for windsong showing the obscure glazing. Do you require anything else?

Kind Regards
