Hi Anita

See attached revised block plan showing proposed parking spaces. The garden is a minimum of 8m wide with some 16m between the buildings so there is space to park at least 4 cars and allow for a turning area. If some of the hedge and 1 tree are removed then the turning space is improved.

I agree to the extension of time until 23/01/2019.

Regards,  
Peter.

Dear Mr Shaw,

I refer to the above application. The proposal seeks conversion of the existing garage which decreases the parking available and increases parking demand at the site. I would therefore appreciate confirmation as to where/how the existing and proposed car parking demand will be met within the site. To allow for receipt of this additional information/ plans I would be grateful if you would agree to an extension of time on the application until 23-01-2019.

Regards

Anita Gardner
