NTBS3223 Zachary Merton Hospital**Design Access Statement****1.0 Introduction**

The following Design Access Statement is regarding the proposed external lighting upgrade works to Zachary Merton Hospital carpark.

2.1 Existing carpark

The current carpark is 2356m² adjoining the Zachary Merton Hospital and consists of a mixture of asphalt and tarmac with grass around the perimeter of the site.

2.2 Existing use

Carparking area for staff and visitors adjoining the Zachary Merton Hospital.

2.3 Location

The carpark is addressed Glenville Rd, Rustington, Littlehampton, BN16 2EA.

3.1 Proposed works

The works proposed for the site are external only consisting of replacing the existing carpark lighting with new. The work will be:

- Removal of the existing carpark lighting columns
- Installation of new lighting columns and cabling
