Hi Anita

Don't think I responded to this but we do give our agreement to the extension of time for the application at 59 Sea Avenue, Rustington

Kind regards

Kathryn

Hi Kathryn,

The pre app is unlikely to be considered for a few weeks. Unfortunately, I have so many planning applications which are overtime they will have to take priority.

I visited 59 Sea Avenue, Rustington, yesterday. The notice was displayed in my absence, but the advertising period now expires on 31-01-2018. I would therefore appreciate your agreement to an extension of time on the application until 09-02-2108 to allow time for processing of the application following the expiry of the advertising period.

Regards

Anita

Hi

Is there anyone who can help with my enquiry in regard to these applications? Anita answer phone is still set to the Christmas out of hours message and no one is returning calls, not just for these applications but for others we have in our offices at the moment.

The expected date for decision for application PAA-214-17 was the 4th Jan, I had no feedback or request for an extension of time?

LU/368/17/DOC I agreed an extension of time for this application until the 17th Jan but there is a fairly urgent discussion to be had about the materials, I potentially need time to source new materials and understandably I don't really want this to run and run.

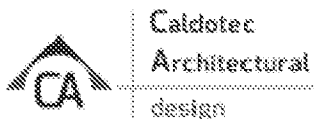

Application R/275/17/HH is nearing its deadline however we have noted that the notice has only just been displayed. Will this have an effect on determination date?

Any update would be great fully received.

Kind regards

Kathryn
