Dear Mrs Eggington,

Further to your letter dated 15th November requesting additional measurements to the boundary to the block plans please find attached the amended drawing. Can this please supersede the previous version of the plan.

Having regard to your next comment regarding question 8 of the application form, as we are replacing an existing double garage there will be no net loss or gains in parking on site. I therefore believe that the answer should still be 'no'. Can you confirm that you are happy with this.

Kind regards

Kathryn
