Dr Gavin Walker

Client Contact Details: Aaron & Kristen Grey, 9 Preston Ave, Rustington, West Sussex. BN16 2DE. [REDACTED] [REDACTED]	Date 24 th November 2018
--	-------------------------------------

Tree Survey – Rear Garden: TPO APPLICATION Ref: R/1/01

T1. STONE PINE (*Pinus pinea*): Reduce the lower lateral branches (approx 5) that are overhanging and touching the neighbouring row of garages. The neighbours want to work on the garage roofs. Reduce the overhanging branches back to the boundary/branch collars on the main stem and to a vertical height above the garages of 1.5m to allow working space.

T2 – T6. LEYLANDII TREES (*Cupressus Leylandii*): Reduce the lower lateral branches that are touching and overhanging the neighbouring garages. Reduce the overhanging branches back to the boundary/main stem and to a vertical height above the garages of 1.5m to allow working space.

All logs, brash & branches to be disposed of sustainably at Stubbs Copse Woodyard near Arundel. Clear up all arisings and leave the site clean from all debris.

- All work is undertaken by fully trained NPTC professionals. Public Liability insurance is provided up to £5 million.
- If you wish to accept or discuss this quote; contact Gavin Walker on [REDACTED] or [REDACTED]
- Our experienced and fully trained arborists work to high arboricultural standards and will ensure that all work will comply with BS3998:2010.
