Hi Anita

Sorry for getting back to you so late. I was hoping to speak to Fiona first before getting back to you but she is on leave this week.

Regarding this application, I would suggest amendments as highlighted below – removing the word noise as it doesn't make sense (it was a fault originally) and adding word 'and' to make 'odours and fumes'

Also to remove the word 'other' in respect of deliveries outside of Mon to Sat. If the applicants want to negotiate on those hours they might need deliveries on Sundays or bank holidays perhaps the condition in R/212/18/PL could be applied - 08:00 -16:30 and Bank Holidays.

R/290/18/PL

11th December 2018
130 The Street Rustington BN16 3DA

505349

102288

Variation of conditions imposed under R/209/18/PL relating to condition 3- rewording of condition to read 'The use hereby permitted shall not be commenced until full details of any proposed ventilation extract system to discharge odours and fumes and noise from the cooking process has been submitted to and approved by the Local Planning Authority, the associated equipment has been installed and

be in full working order to the satisfaction of the Local Planning Authority & 6-rewording of condition to read 'Deliveries by commercial vehicles shall only be made to or from the site between 07.00 hours and 18.00 hours Monday to Saturday and at no other time on Sunday, Bank or other Public Holidays without the prior written consent of the Local Planning Authority.

I hope this makes sense. I and Fiona are back in the office on Monday if you like to discuss.

Kind regards

Nina Sidhu
Senior Environmental Health Officer

Please note that I work Monday to Wednesday and alternative Thursday mornings
