Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No:	R/291/21/PL
Site Address:	Rustington Manor Hotel And Restaurant 12 Broadmark Lane Rustington BN16 2HH
Description of works:	Demolition of former hotel and restaurant and erection of a part two-storey, part three-storey building containing ten apartments (Use Class C3). This application is in CIL Zone 4 (zero rated) as apartments.

Thank you for your internet representation made on 29th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42917

The introduction of a part-three storey building is not in keeping with the surrounding properties which are mainly single or two storey. A reduction in height would reduce any blocking of light to neighbouring properties and create intrusive views. The parking on Broadmark is already at capacity - on a daily basis cars are parked across from our drive, obstructing our ability to safely exit our property - as well as negotiating the speeding cars that often use the road as a race track. Sufficient off road parking should be provided for both residents and visitors of the proposed development. There are regular drainage issues in the area, especially during heavy rainfall. We also have a shared drained that runs through our back garden that often get blocked - it is requested that the proposed development has sufficient utilities that do not add additional pressure to the existing facilities.

Your views as made above will be considered before the application is determined.
