Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No:	R/291/21/PL
Site Address:	Rustington Manor Hotel And Restaurant 12 Broadmark Lane Rustington BN16 2HH
Description of works:	Demolition of former hotel and restaurant and erection of a part two-storey, part three-storey building containing ten apartments (Use Class C3). This application is in CIL Zone 4 (zero rated) as apartments.

Thank you for your internet representation made on 5th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43010

The proposed new building is in my opinion an over development of the existing site and if three storeys are allowed the building will be intrusive on the existing adjacent properties which they will overlook resulting in an intrusion into their privacy.
The proposed elevations of the new building are not in keeping with the height or architectural style of the existing long established properties in this area of Rustington.
The ease of traffic flow in Broadmark Lane is already difficult due to the many parked cars and will only be made more difficult with the inevitable increase in parking along the road from residents of the proposed building and their visitors. Those who currently use Broadmark Lane for parking will no doubt be forced to park in adjacent roads including the private roads on the Cudlow Estate which will lead to confrontation with residents of those roads. The already difficult exit from the Cudlow Estate roads will be made even more difficult due to the increase in parked vehicles on Broadmark Lane.
There will be a substantial increase in commercial vehicle movement during the construction phase delivering materials, removing material arising from the works and from the inevitable parking of contractors' vehicles. Much of which will access the site from not only Broadmark Lane, further restricting access, but also from the Cudlow Estate private roads.

Your views as made above will be considered before the application is determined.
