To: tomcsparks@hotmail.com

Subject: Amberley Road, Rustington BN162EE: Speed Humps

Dear Mr Sparks,

West Sussex Fire & Rescue Service would not have any objection to two speed bumps being added to a private road, providing they meet with speed bump regulations, and it has been approved by the relevant local authorities such as Arun District Council Planning department and highways.

Regards. Ian Stocks – Water and Access Manager, Water and Access Office

Subject: Speed Humps - Amberley Road

Dear Mr Sparks,

Following on from our telephone conversation at 15:00hrs on Sunday 4th October 2020, I can confirm the Police in principle would have no objections if speed humps were to be installed in Amberley Road, Rustington. You have advised me the road is currently being used as a 'rat run' by non-residents causing a danger to pedestrians, particularly as there are no pavements present. You have also informed me 70% of residents in road are in favour of the proposal. As discussed, the final decision will rest with WSCC.

Kind Regards. Paul Coles CC550, Police Sergeant

To: Tom Sparks

Subject: Amberley Road, Speed humps

Tom, As discussed, as long as the speed humps meet the appropriate design and installation requirements for a 26 ton waste collection vehicle to pass over without causing damage then I am happy to endorse this installation.

Kind Regards, Damien O'Neill, Senior Business Manager
