Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 39

Application No: R/29/22/CLP

Site Address: Amberley Road Rustington BN16 2EE

Description of works: Lawful development certificate for the proposed installation of traffic calming measures by means of an automated gate, 2 No speed humps at north end of road.

Thank you for your internet representation made on 8th March 2022 which has been recorded as support with the comments as follows:

OWPC44974

As residents of the North end of Amberley Road we would like to write in full support of traffic calming measures, particularly an automated gate. From a safety perspective something definitely needs to be done to reduce the speed at which traffic turns on to Amberley Road from Glenville Road. Amberley Road is a constantly used pedestrian thoroughfare for walkers, wheelchairs and mobility scooters and has no pavements. Vehicles, particularly delivery drivers and contractors often enter the road with speed and we feel strongly that traffic calming should be put in place. As concerned residents we thank the Planning Committee for their consideration.

Your views as made above will be considered before the application is determined.
