Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 39

Application No: R/29/22/CLP
Site Address: Amberley Road Rustington BN16 2EE
Description of works: Lawful development certificate for the proposed installation of traffic calming measures by means of an automated gate, 2 No speed humps at north end of road.

Thank you for your internet representation made on 14th March 2022 which has been recorded as support with the comments as follows:

OWPC45147

I strongly support the application for an electronic gate at the North end of Amberley Road. This is indeed a rat run, not just for the neighbouring roads of Merton Avenue and Cheam Road but also for those who live further afield in Evelyn Avenue, Shirley Close, Dolphin Way and Mariners Walk. For those residents living in Merton Avenue and Cheam Road it will take no more than 30 seconds for them to use Glenville Road which is a public highway rather than Amberley Road which is not.

Safety has become an increasing concern with several near misses with at least two incidents where pedestrians had to be pulled out of the way of vehicles speeding around the corner from Glenville into Amberley Road. In addition there have been several instances of pedestrians jumping out of the way to avoid being run over.

The emergency services have been consulted and have not placed any objection. If they do need access it will take them no more than 30 seconds to press the button that will allow access via this route. This is also true for non-residents of Amberley Road.

Your views as made above will be considered before the application is determined.
