Application No: R/29/22/CLP

Site Address: Amberley Road Rustington BN16 2EE

Description of works: Lawful development certificate for the proposed installation of traffic calming measures by means of an automated gate, 2 No speed humps at north end of road.

Thank you for your internet representation made on 22nd March 2022 which has been recorded as support with the comments as follows:

OWPC45456

As a resident of Amberley Road, it has been upsetting to see the number of objections raised regarding the installation of a gate at the North end of the road. It is upsetting, as the gate is for the safety of ALL vehicle users and pedestrians who use the road, not just residents. The gate will not deny anyone access, but simply slow drivers down at the junction. Residents and non residents alike will have to wait for the gate to open. There will be a simple button on the gate for non residents to access if they do not wish to have to take another route. In addition, on either side of the gate there will be sufficient paved/road surface for the safe passage of pedestrians, wheelchairs/motorised buggies and push bikes. A far safer setup than exists now. It should be noted once again, that while this a private road, paid for and maintained by the Amberley Road residents, there is no intention of denying access to anyone.
