Dear Sir/Madam

Ref: Planning Application R/2/14 – 1 Merton Avenue, Rustington

With reference to the above planning application, we are writing to object to the planning application for that property.

Looking at the plans, we feel that the **glazed** gable end will definitely overlook our garden interfering with our privacy. The "existing tree screening" to the rear of the property is, in fact, a hedge which, we feel, does not provide adequate screening.

Where our bedroom is situated on the side of our bungalow, the view from the glazed gable end of 1 Merton Avenue, Rustington, the occupiers will have a clear view directly into our bedroom. We do not feel obliged to have to keep blinds/curtains shut in order to have our privacy. This is apart from the view the occupiers will have directly into our garden.

We are seriously concerned about this happening, so under the circumstances, we are opposing the planning application.

Yours faithfully

Linda and James Whelan
