Dear Paul & Laura,

It is my understanding that, further to our meeting on the 4th December 2018, you have reached an agreement with our drainage consultants over the design of the proposed Drainage Layout.

This now needs to be submitted formally via planning to be discharged. As previous applications have been deemed incomplete we agreed at our meeting to produce a validation checklist in advance of our next submission.

A checklist has been prepared based on your conversations with Chris Hendry on this matter. This is attached for your convenience.

I would be grateful if you could review this document and provide your additions / revisions if they are necessary.

Kind regards

Ziyad Thomas
