Hi Zac

I think you will be assessing our planning application again today - I just wanted to advise that Aileen and Eric at No 8 decided yesterday that they would like to withdraw their objection. I know they originally wrote in by hand and they are very elderly so perhaps can't Manage the website, so I'm not sure how quickly they might be able to communicate. I'm sure they will confirm this if you have contact details.

Additionally I know there is a support letter delivered by hand to your office on Tuesday from No 17, but this doesn't appear to be showing on the site as yet.

Thanks
Regards
Tanya Holder
