Dear Mrs Gardner,

Further to my email last week, I now attach a site plan incorporating the visibility splays and an accompanying plan detailing the on-site turning details which deals with the queries raised by WSCC. I trust WSCC will now confirm that the access is appropriate to serve the proposed development.

I would be grateful if you could let me know if you have any further queries regarding this application, and, in due course, your comments on the proposal.

Kind regards

Henry Adams
