Subject: R/31/22/HH. 15 Broadmark Way, Rustington

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

I refer to the above Planning Application on which we would wish to make the following comments:

We are the owners of the bungalow at 13 Broadmark Way and feel that to develop the neighbouring bungalow into a massive 5 bedroom chalet could intrude into our air space and privacy if the roof was reconstructed to a height higher than currently exists. Since moving here 8 years ago, number 11 Broadmark Way has now been redeveloped into a house from a bungalow. Effectively we will now be surrounded on all four sides by a chalet bungalow and houses, whereas previously bungalows existed either side of us.

In principle, we are not averse to an extension next door provided this does not in any way exceed the current bungalow height.

Thanking you

Sue and Howard Scott (13 Broadmark Way)
