

Good afternoon Iqraa,

Thank you for your reply. I have reviewed your comments and attached is the updated version of the CIL form and proposed roof plan.

Let me know if you have any questions,
I am looking forward to hearing from you,

Much appreciated,
Regards,

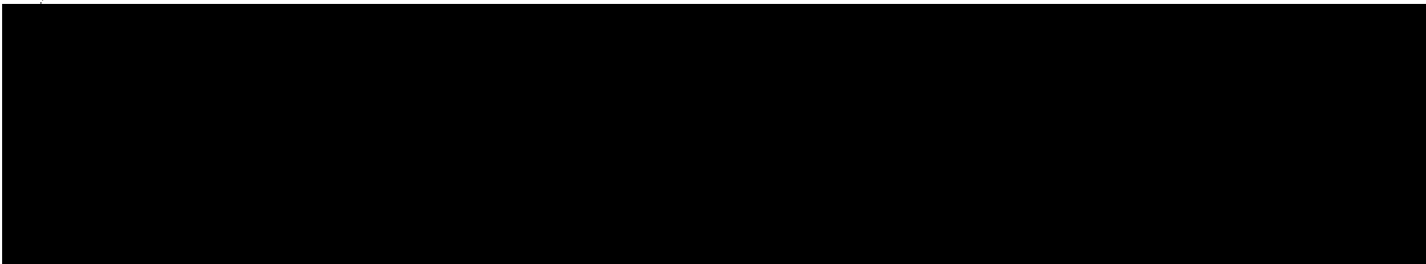

Good morning,

Thank you for providing the additional information.

However, this application is still invalid as the proposed roof plan is labelled existing. Along with this, as you have answered no to question 2a on the CIL form, this means you must answer question 3 and continue from there. Please review and amend.

Kind Regards

Iqraa Malik

Kind regards,

Good afternoon,

Thank you for providing the additional information.

However this application is still invalid for the following reasons:

Location Plan: The red outline needs to be around the entire site boundary rather than just the property. Please amend.

Block Plan: Please submit a proposed block plan scaled 1:200 or 1:500 with dimensions from the proposed side extension to all site boundaries.

CIL Form: The CIL form has been signed with a date from July, please amend as the date cannot be after the application has been submitted.

Kind Regards

Iqraa Malik
