Dear Mr. Wood,

I understand that the above planning application, for which I am the agent, has been allocated to you.

Please find attached 2 revised drawings, namely drawing numbers 2940/PL125 Rev. A (proposed roof plan) and 2940/PL211 Rev. B (proposed external elevations). These 2 revised drawings supercede the originally submitted versions (PL125 and PL211 Rev. A) as they are now consistent with the associated proposed plant specification.

As I appreciate that the application has only recently been validated and statutory consultation has just commenced I will seek to engage with you further in a few weeks regarding the progress of this application, but in the meantime should you wish to discuss any aspect of this planning application or require any clarification please do not hesitate to contact me.

I would be grateful however if you could acknowledge safe receipt of this 2 revised drawings.

Regards,

Adam
