Hi Sian,

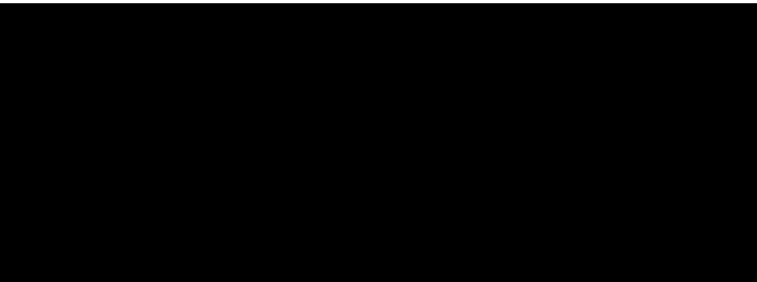

Thank you for the email regarding this Householder Application's description. I'm afraid I can't accept the suggested new description, mainly as there is no single storey side extension (the small area for the kitchen to the North is only being subject to reroofing from mono-pitched to flat roof). Please may I request:

"Roof alterations with raised roof ridge, first floor side extension and front and rear dormer windows"

It is not proposed to raise the roof height by a full storey.

Kind regards,
