Good afternoon Zac,

I hope you are well?

I am aware that there is a comment from the immediate neighbour to 12 Central Avenue, Rustington which requests obscure glazing to the proposed, first floor North window within this Householder Application. I would like to respond to say that this is a perfectly reasonable request and it is already shown shaded as obscure glazing on the proposed elevations. As this window is serving a bathroom, we would install obscure glazing anyway. However, should you feel it necessary, we would agree to a restrictive condition to any approval for this window to be obscure glazed in perpetuity.

Kind regards,
