Dear Mr Easton
Garden wall Reference. R/37/15/HH

With regards to the newly built garden wall at 1Homefield Close Rustington .
Living right opposite this new wall we have no objection at all.this wall is a great improvement to the past old wall.
That was in a very poor state of repair.
We live at 21, Priory Road Rustington our house looks straight onto this wall and find the wall a great improvement
to our outlook.and is very attractive and well presented.
Kind Regards
Mr Mrs R Rota
