R/39/22/DOC

Rustington Convalescent Home Sea Road Rustington BN16 2LZ

Approval of details reserved by condition imposed under ref R/187/16/PL relating to Condition Nos 4 - materials and finishes of proposed buildings in Phase 2 and 17 - Construction Management Plan

The condition required details of materials and finishes of proposed buildings, which are provided in a detailed table. Sadly, the condition does not require details or elevational/sectional drawings. The materials on the whole seem acceptable. It is positive that the proposed windows will be timber, however, ideally the external doors would also be timber.
