Good afternoon,

I'm in the process of updating the CMP following your comments.

Please could you provide me the contact details for Adam Bazely and Matt Gray so I can add them to the CMP?

Kind regards

Dear Mr Neville,

With regards to our recent phone call please see the comment of the WSCC:

Discharge of condition 17 - Construction Management Plan

Details regarding the anticipated number, frequency, and types of vehicles used in construction, erection and maintenance of security hoarding has not been provided. Also the CMP should include contacts of the Areas Highway Manager, Adam Bazely and Traffic Engineer, Matt Gray as they will need to approve any traffic management, i.e locations for signs and anything else which may affect the highway. The applicant commits to undertake a road condition survey of the B2140, Sea Road prior to construction. WSCC would advise the applicant to make contact with the Area Highways Manger, Adam Bazely, as WSCC should be present at this walk through.

Kind regards

Maria
