Dear Madam

FOR THE ATTENTION OF: Mrs S Honney-Bayes

**New single storey rear conservatory extension & new front porch
29 Wendy Ridge Rustington
REF R/40/11**

Further to your letter dated 1st March 2011, please find attached as requested revised drawings in response to your comments, these are as follows:

Location Plan: site area extended to include more than one road name and north point added
Block Plan: north point added

With regard to the front existing porch the layout on both the existing ground floor plan and existing front elevation do collerate; i have for your help added notes to clarify the drawing. You will also see i have attached two photographs of the existing building for information purposes.

With regard to the rooflights to the new rear conversatory extension, these will be on the flat roof element of the extension and therefore they are unlikely to be seen, however i have indicated there position on the proposed elevation and have now also included a proposed roof layout to help assist withthe application.

With regard to the planning free, this has already be posted and therefore should be with you in due course, i trust the above will now satisfy your requirements to process the application, however should you require any further information please do not hesitate to contact me.

Regards

07/03/2011
